

Canadian Trip Set In Films

Buster Keaton will take Torrance area residents on a railroad trip through Canada Friday night in the first of two films featured in the Joslyn Film Series.

The free films will be offered each Friday during April, under the sponsorship of the Torrance Recreation Department.

Friday's first film, "Railroader," features Keaton traveling through Canada on a railroad handcar in typical Keaton fashion.

Then, "S.O.S. Galapagos" will take its viewers to the 13 islands of the Galapago Archipelago with its variety of plant and animal life. The third film, "Glass," explores the Royal Leerdam factory in Holland.

JOSLYN'S April 11 film presentation takes an all-round look at our northern neighbor, Canada. "Family Camping" offers a majestic look at Canada's backwoods with camping, hiking, and cruising through Canada's waterways in a canoe.

"Away From It All" takes a scenic look at Terra Nova, Canada's newest national park. Rounding out the April 11 showing will be "Green Fingers," portraying a New Zealander in his gardening and landscaping quests.

Three more films will be shown Friday, April 18. "Morning Star," set against the rugged beauty of Arizona's desert and mountain lands, shows the annual migration of a herd of sheep from the valleys to the lush mountain pasture.

"MADELINE," the story of a French girl, followed by "Laurentian Summer," depicting outdoor vacation life, will also be seen on this night.

Friday, April 25, the recreation department in cooperation with the Los Angeles County Museum of National History, will present "The Sky Above - The Mud Below."

This classic film traces the expedition of Pierre-Dominique Gaiseau as he and his party explored the uncharted territories of New Guinea with only he and his radio engineer returning from the treacherous journey.

The Joslyn Center is located at 3335 Torrance Blvd.

'Solid Gold Cadillac' On Stage

Stocks, bonds, and a disarmingly naive little old lady are the elements of the comedy "The Solid Gold Cadillac," the current theatrical fare of the TRW/Satellite Players.

The play will be staged at the Hawthorne High Little Theatre Friday and Saturday evenings through April 12. Curtain time is 8:30 p.m.

This lampoon of big business and politics features Melba Abbott as the little old lady. Although she owns only 10 shares of stock in a huge corporation, she pops up at stockholders' meetings, asks embarrassing questions, and sends the directors of the corporate empire reeling.

Other principal players are Roger Burnell, Gary Eaton, Joe Glasgow, Dan Kubik, and Gordon Starr.

Youth Plan Tenebrae Ceremony

The young people of Ascension Lutheran Church, 17910 S. Prairie Ave., will lead in commemorating the suffering and death of Christ with a special Tenebrae Ceremony tonight at 7 p.m. Stephen Theil, the vicar at Ascension, will conduct the service.

This candlelight service features the chanting of psalms and concludes with the progressive extinguishing of the candles until only one remains burning by the altar. This last candle is held in place by the Hearse, a special candle holder fashioned from the trunk of the Christmas tree.

FAIRS ARE FUN

It's become a trite, but true, saying: There's something for everyone, young or old, at the Los Angeles County Fair, Pomona. Huge exposition opens its annual 17-day run Sept. 12.
